A Note From The Co-Presidents:

Welcome fall! Certainly the weather is turning, as are the leaves. The students at Coolidge seem to be settling in and the school year is well underway! Be careful, the winter holidays will be here before you know it!

We had a terrific turnout at our first PTO meeting in September. Thank you all for attending and please be sure to come back! We value everyone's input. The curriculum nights also seemed very successful and well attended. Earlier this month, the students enjoyed a wonderful enrichment program with poet, Jeff Nathan! A big thank you goes out to Kathy Taylor for organizing this event. In fact there are many wonderful parents and care givers that we would also like to thank for being so generous with their time and talents this year. Many of you have been willing to put forth the extra effort that is needed to add to all of the students' overall elementary experience. Some of you try to "fly under the radar" and do your good deeds like elves in the night! Please know how much you are appreciated. It really does take a village to raise a child.

Some exciting upcoming events on the Coolidge calendar include Family Fun Day – a few hours of family fun that everyone will enjoy – which will take place this Sat. 10/21 from 10-2, and we have a wonderful event for families coming up on Friday, November 10th – Rob Surette's (of Amazing Hero Art) "Be Somebody" performance. We're already getting calls from other schools for tickets, so be sure to get your tickets a.s.a.p. It promises to be an exciting performance that both young and old will love!

Please feel free to contact either one of us, if you have any questions or ideas regarding PTO events! Thanks, Karen and Sue

Please Take Note:

PTO Meeting Tuesday November 14th **has been changed to Wednesday November 15th at 7:00 pm at Coolidge School**
